## Says

## Thinks

We have to get more success when we are managing Talent

Without talent management we cannot able to achieve success

We should analysis the talent and assign right place

Always we should motivate positive ways to good directions...

We should understand those person's needs and requirements..

We can also measure indicators of engagement and satisfaction..

## SIVANANDHINI

Measuring Success in Talent Management

Time to fill. While its usually not a good idea to rush the hiring process to fill needed positions may be a clue improvement is needed

Focus on community involvement working with community groups and community leaders

A work environment that is relaxed friendly and welcoming in tone

we can use surveys
,feedback
intervews, or focus
groups to asses
how our employees
feel about their
work

Ther are high levels
of employee
engagement
whereby employees
feel involved and
empowered to make
decitions

Clear chain of commend for redress when supervisor are not satisfied with supervision outcomes
